

HOW TO BLOCK ONE OR MORE CHANNELS ON YOUR STB

The following instructions will guide you through the process of blocking one or more channels from being viewed on the Set Top Box.

----Step 1 Turn Parental Controls On----

- 1. Press the "Settings" button on the remote control to access the "Quick Settings" menu.
- 2. Scroll down to the "Turn ON Parental Control" choice and press select.

Quick Settings	
Highlight an option, then press SELECT.	
Block this Channel (VLDHD)	
Turn ON Parental Control	<u></u>
Picture Size arental Control	Normal
SETTINGS More Settings	© Return to TV

(If the parental controls are already **ON** you will only see the choice to turn them **OFF**. In this case, skip this entire step.)

3. Enter your four-digit PIN number, which is 0000 by default.

----Step 2 Block The Desired Channel----

- 4. Tune to the channel you wish to block.
- 5. Press the "Settings" button on the remote control to access the "Quick Settings" menu.
- 6. Scroll down to the "Block this Channel (VLDHD)" choice and press select.

Quick Settings	
Highlight an option, then press SELECT.	
Add VLDHD to Favorites List	
Block this Channel (VLDHD)	
Turn OFF Parental Control
